TARGHA PANEL

The Targha entry panel from BPT merges the utmost modularity and functionality with the most advanced aesthetic values contemporary design has to offer. Made from anodized aluminium, the Targha entry panel's high-tech appearance blends in effortlessly with the style of any building.

Easy to install, Targha is particularly suitable wherever leaving the existing structures untouched is of paramount importance.

- Modular system
- Maximum security at accesses
- IP54 protection

AGATA HANDSET

The Agata handset brings elegant styling and cost effective functionality. The standard kit version comes with lock release, auxiliary button and doorbell interface. Agata provides ease of use, and a clean-cut design in keeping with the BPT handset range.

- Extra slim design
- Door lock release
- Wall-mount
- Door bell interface
